

**WORKSHOP** within the framework of *Education for Plastic in a Circular and Climate Neutral Economy - Preventing Waste Ending Up into the Environment* Project-an AquaSensTim event

Science  **“WATER FOR PACE-PEACE FOR WATER”**

**Thursday, 21.03.2024, 12.00-16.00**

**Politehnica University of Timisoara, Faculty of Industrial Chemistry and Environmental Engineering, Hybrid event**

Dear Madam/Sir,

On behalf of the Politehnica University of Timisoara Romania, we cordially invite you to attend and contribute to the workshop entitled **“Science drop: Water for peace-peace for water”** within the framework of the *Education for Plastic in a Circular and Climate Neutral Economy - Preventing Waste Ending Up into the Environment* Project and of the Symposium **WATER – LIFE ESSENCE (AquaSensTim)** – 4<sup>th</sup> edition.

This workshop is intended to stimulate discussions on **water pollution & climate change** between experts, researchers, consultants and local authorities, therefore being an excellent chance to strengthen the interaction and network between universities at international and national level and experts in this field. Special contributions given by the students and high-school students coordinated by their professors, are expected.

Contributions to the event through **oral presentation** can be made by title submission by email to the address: [florica.manea@upt.ro](mailto:florica.manea@upt.ro) until **18<sup>th</sup> March 2024**.

Allocated time for presentation: **10 minutes**. A detailed workshop agenda will be sent you soon.

On behalf Politehnica University of Timisoara,  
Prof.dr.eng. Florica MANEA
